Based on your stay dates, one of the codes below may qualify you for additional discounts. Codes are generally good but they have restrictions and do expire. Just because it is listed in the table, does not necessarily mean the code is active. Type the codes exactly as shown without any spaces. If the discount doesn't apply and you have typed the code correctly, it simply means the code is no longer valid.

Code name	Valid for Stay on	% Discount OR \$ off/night
AARP	Any two consecutive nights Sunday- Wednesday *	5%
GMSpecial	Any Three consecutive nights Sunday- Wednesday *	5%
AAconvention	Must stay Friday & Saturday of the convention dates.*	5%
Memorialday	Must stay Friday, Saturday & Sunday before memorial day*	5%
Laborday	Must stay Friday, Saturday & Sunday before labor day*	5%
